

PROGRESS. PASSION. POSSIBILITIES.

KPMG professionals are individuals who take deep, personal accountability for their work; have a passion for excellence; remain driven to achieve their full potential; and understand the value of building relationships with clients, future clients, their communities, the global firm and each other. A KPMG professional has a strong work ethic, thrives on challenges, and is dedicated to providing outstanding client services.

KPMG in Bermuda serves an international client base. The Advisory team can help businesses address the most complex challenges by drawing on resources and skills across its global network. We are looking for a Senior Manager to support us in maintaining our reputation as a leader in Advisory services both in Bermuda and globally.

Senior Manager

KPMG Advisory is looking for a Senior Manager with exceptional leadership skills and significant experience and a proven track record in Restructuring and Transaction Services, including but not limited to, experience in managing a diverse portfolio of engagements and working with multi-disciplinary teams to deliver the following services as part of our Deal Advisory group:

- Court and non- court appointed restructurings and liquidations;
- Implementation of schemes of arrangement;
- Commutation support and negotiations;
- Mergers and acquisitions;
- Business integration; and
- Project management.

Candidates must have the following qualifications, skills and attributes:

- A Bachelors degree or above;
- A minimum of five years of experience in an advisory business providing Restructuring and Transaction Services to a broad range of international and local clients, including cross border experience;
- An in depth knowledge of the regulatory environment, particularly as it relates to Restructuring and Transaction Services;
- Excellent project management and organisational skills are essential and experience in leading, and working with senior management on complex engagements;
- In depth knowledge and experience in Corporate Finance would be beneficial;
- A professional qualification in a relevant discipline, such as CPI or JIEB, would be preferred;
- First class written and oral communication skills; this includes the ability to produce and review complex financial reports and proposals;
- Strong presentation skills as the role requires regular internal and external presentations to be delivered as well as a proven ability to competently discuss related matters with clients;
- Exceptional people skills with the ability to work with clients and staff of all levels (including the ability to provide business and technical mentorship to members of the Advisory team);
- A proven track record in strong business development and excellent client relationship skills;
- A self-motivated individual with the ability to multi-task on a daily basis and maintain high levels of drive and resilience;
- A high degree of competence in Microsoft Word, Excel, PowerPoint and Outlook is required;
- A willingness and capacity to work overtime and/or travel at short notice is essential as this is a highly demanding environment with tight reporting deadlines;
- The ability to work independently with minimum supervision and a proven ability to work with and manage a diverse team is essential;
- Exceptional leadership skills with the proven ability to lead multidisciplinary and multijurisdictional teams; and
- Must be a mature, self-motivated individual who is well organised, hardworking, enthusiastic and professional.
