

RESTAURANT CHEF

The Spot Restaurant requires the services of a trustworthy and reliable Restaurant Chef, who must have extensive knowledge of food preparation - including full meal service and short order grill experience, food hygiene and safety in food handling. Additional duties include vegetable and salad preparation, together with other related duties as necessitated to ensure the continuous smooth running of this high volume operation. Possess total flexibility to cover any and all shifts when required, and work as part of a hands on team. Be able to cope with the demands of a high volume operation. Must possess at least 5 years' experience, be reliable, neat and personable. Creativity is an asset.

To apply, a proven record of productivity is required, substantiated with references and resume. This position is available to individuals who are seriously interested in the service industry. Bermudian, Spouses of Bermudians or PRC Holders, preferred.

Apply in writing with full resume and letters of reference to:
