Financial Controller

Our Client is seeking a **Financial Controller** for a group of local companies and joint ventures. This is an exciting new opportunity with **primary responsibilities to include:**

- Overseeing and maintaining multi-company accounts ensuring accurate accounting records and reports.
- Producing monthly, quarterly and annual financial reporting.
- Preparing information for CEO on all accounting matters for the Group including budget and cash flow analysis on a regular basis.
- Managing payroll, payables, receivables and monitoring business cash flow and cash balance requirements.
- Managing statutory requirements including tax liabilities.
- Overseeing retail operations including inventory, costings and sales commissions programs.
- Managing the administrative team; creating and maintaining a positive performance environment.

Desired Qualifications & Experience include:

- A Bachelor's Degree from an accredited university, preferably in Finance or Accounting along with a Public Accounting Designation.
 - A minimum of three years PQE ideally gained within a local company environment. Experience or knowledge of the retail, engineering and / or construction sectors would be advantageous.
 - Strong MS Office skills with advanced proficiency in Microsoft Excel and Accounting Software such as QuickBooks, Sage or Timberline.
 - Excellent written and verbal communication skills with proven ability to demonstrate teamwork and integrity within a professional environment.
- Impeccable Employer and Character References will be required.*
