

Surface Trends Ltd.

is seeking the following:

Marble & Tile Specialist

Key to this role is installing all aspects of Marble and Tile, both in slab and tile format including walls/floors, counter tops, stone layout, mud work (dry pack), cutting, grinding, polishing, epoxy setting and grouting. Candidates must have a minimum of five years' work experience.

The successful individual must have extensive experience in installing all types of stone surfaces (various sizes) of the highest standards using the above noted formats. The applicant must also be motivated, reliable, punctual, willing to train others, and work on their own initiative. Being productive and efficient are key qualities to this role with experience in a similar role, with a proven record in high quality finishes. Availability to work extended hours, including weekends to meet deadlines as a necessity. Due to our client base, all candidates will undergo background checks (both employment and criminal). If you have the above qualities and work background then we would be most appreciative if you would join our team. Please apply in writing no later than 3rd September 2019.
