

## **VP – Operations**

### **Ariel Re invites applications for “VP – Operations”.**

Ariel Re, a member of Argo Group International Holdings Ltd., underwrites a global portfolio of reinsurance business through multiple capital bases. Ariel Re, through offices in Bermuda, London, and Brussels, transacts a broad array of business to satisfy the wide-ranging needs of its customers. The team is focused on risk management and developing proprietary insurance and reinsurance pricing and portfolio risk management systems.

The VP – Operations role is to support the SVP – Operations in the day-to-day running and enhancement of processes and systems across the business. This person is the ‘go to’ for the non-repetitive data processing side of reinsurance operations and liaison with the management information systems department.

#### ***Key Accountabilities Include:***

- Manage monthly management information reports, including analytical review of underwriting data and performance metrics;
- Develop and maintain procedures, narratives and process flowcharts to satisfy operational compliance requirements and ensure appropriate documentation is in place;
- Coordinate the development of testing scripts for system upgrades across all departments;
- Assist in the evolution and management of ceded reinsurance processes;
- Lead various Ariel Re operations and/or finance initiatives and facilitate communication between all stakeholders as necessary;
- Develop and implement innovative business solutions to improve financial and operational effectiveness;
- Perform detailed analytical reviews over data and reasonability assessments of underwriting data as part of the monthly close process;
- Liaise with external and internal auditors to facilitate queries and ensure compliance with SOX control framework;
- Develop line of business reviews and commentary for inward and outward business;
- Other duties as required.

#### ***Qualifications, Skills & Experience:***

- CA, CPA, ACA or other equivalent accounting designation required;
- CPCU, ACII or other equivalent underwriting designation required;
- Associate in Reinsurance designation required;
- At least ten years of recent extensive experience in reinsurance accounting (proportional, non-proportional, assumed and ceded) and exposure to reinsurance systems is essential;
- Working knowledge of US GAAP required;
- Proficiency with the Microsoft Office Suite of applications;
- Proven organizational and timekeeping skills and a strong sense of attention to detail are essential;
- Excellent verbal and written communication skills i.e. a thorough command of the English language including excellent spelling, grammar and punctuation;
- Flexibility to work nontraditional office hours as needed.

We believe in building an inclusive and diverse team, and we strive to make our office a welcoming space for everyone. We encourage talented people from all backgrounds to apply.
