Finance Systems Developer

Our client, Fidelis Insurance Holdings Ltd., is a global provider of specialty insurance and reinsurance for property, energy, marine and transactional risk classes. Fidelis is rated A- (Excellent) by A.M. Best Company, Inc.

Fidelis is looking for an energetic individual to join its team as Finance Systems Developer. The successful candidate will be expected to work with Fidelis' Finance and IT teams to help drive innovative solutions that enhance the business. This role will require a dynamic individual who is both technology savvy enough to adapt to a range of technologies and business savvy enough to understand how to best leverage those technologies.

Duties & Responsibilities:

- Working with the Finance team to analyse and improve their existing workflows through technology
- Delivering and supporting reliable and efficient TM1 solutions
- Providing support for business intelligence development
- Delivering reports and queries

Minimum Qualifications, Skills & Experience:

- University Degree in Information Systems, Computer Science, Finance, Accounting, Economics, Mathematics or a related technical discipline
- Demonstrated understanding of Accounting principles including business planning
- Advanced Microsoft Excel skills; knowledge of Excel VBA preferred
- Excellent communication (verbal and written) and interpersonal skills, and an ability to effectively communicate with both business and technical teams
- TM1 experience including system configuration, model building, data security, and reporting a plus
- Experience writing queries with Microsoft SQL Server preferred
- Oracle Fusion and/or Hyperion experience a plus

To apply please send your résumé to bdajobs@expertise.bm or apply online at www.BermudaJOBS.com.

All enquiries will be dealt with in strict confidence.

Closing Date: September 20, 2019
