

RenaissanceRe Holdings Ltd., through its operating subsidiaries, is a leading global provider of reinsurance and insurance. Our team shares a passion for providing exceptional service, innovation, creativity and a strong belief in the entrepreneurial culture which is a cornerstone of our competitive advantage.

SVP, Corporate Risk

The SVP, Corporate Risk is responsible for leading the strategic development and implementation of information, reporting and analysis requirements supporting core ERM and Strategic execution capabilities of the company.

Responsibilities include:

- On an ongoing basis, lead the design, continuous development and implementation of core strategic insight, business signal and management information capabilities of the group.
- Evolve and maintain the company 's key ERM management information capabilities and serve as portfolio owner for the UW, Risk & Capital Performance Management portfolio.
- Support the ERM, Finance and UW teams in strategic financial plan development.
- Liaise with the Senior Management team to evolve our data and information capabilities in line with our strategic goals.
- Prepare reports detailing information on business performance for management and other key stakeholders periodically and on an ad hoc basis.
- Lead cross departmental efforts to continuously improve the integration of underwriting, finance, claims and reserving data and systems using broad industry domain expertise
- Develop strong relationships to coordinate the development, planning and integration of all internal functions (underwriting, finance, claims, etc.) in all group locations.
- Support strategic planning projects and processes
- Ad hoc projects as required
- Any other duties as required by management

Education, Skills & Experience:

- A university degree in the field of Accounting, Business Studies, Economics, Mathematics, or a related field
- A minimum of 10 years of experience in a similar role in the reinsurance industry, including demonstrated experience with operational platforms multiple rated and ILS balance sheets on a global basis.
- A designation in (re)insurance risk management (CCRA, CPCU) and/or CA, preferred
- Experience managing internal and external relationships
- A proven track record of producing superior work results in an efficient and timely manner
- Strong computer skills with thorough knowledge of advanced modeling and analytical software as well as Microsoft Office products, specifically Excel
- Excellent analytical, communication and interpersonal skills
- The ability to work extensive hours during busy seasons

This is a fast-paced business environment, demanding a strong work ethic and a results-oriented approach.
