At Walkers Bermuda Limited, we pride ourselves on our work ethic, commitment to exceptional client service and team-work. Our unprecedented growth in just three years of operation is testament to this.

With Walkers' 10 global offices, across 6 time zones and over 880 staff, our Bermuda team continues to flourish as we provide varied career and development opportunities for talented Bermudian professionals, including the opportunity to work internationally in one of the world's foremost financial centres, through our global secondment programme.

Currently, we are looking for client-focused professionals with excellent academics who are adept at providing responsive, commercial, high quality client service. You should be a motivated team player, willing to support others and work collaboratively in a dynamic organisation.

Walkers Bermuda invites applications from suitably qualified lawyers for the following positions:

Senior Counsel Head of Private Capital & Trusts

Walkers' Private Capital & Trusts (PC&T) practice group offers Bermuda, BVI, Cayman Islands, Guernsey and Jersey law advice to clients holding private capital on a global basis. This is a rare opportunity for an experienced lawyer with multi-jurisdictional private capital and trusts experience to join the firm as Head of Private Capital & Trusts - Bermuda.

Reporting to partners and committed to the success of the firm, this role suits an experienced lawyer looking to grow the PC&T practice in Bermuda and manage its dynamic development as an integral part of the global PC&T practice group. Candidates should have a minimum of 7 years' PQE in the private client space at an international or Bermuda law firm.

Senior Associate/Associate Corporate/Insurance

As part of the Corporate, Finance, Funds & Insurance (CFFI) practice group, the Associate will be an integral part of our rapidly growing (re)insurance and ILS practice, advising on all aspects of corporate law and, in particular, in relation to insurance legislation and related regulations. Candidates should be Bermuda and/or qualified commonwealth lawyers with experience at a reputable law firm.

Candidates must have strong technical knowledge of corporate law and commercial practice and preferably experience advising clients in one or more of the following areas: (i) (re)insurance, (ii) captives, special purpose insurers, segregated account companies and ILS funds, (iii) asset management, investment funds and private equity funds. The role (Senior Associate/Associate) will be commensurate with experience.

Associate Corporate/Fintech

As part of the CFFI practice group, the Associate will be an integral part of our busy fintech/digital assets team and support the expansion of this new and growing business. We are looking for a Bermuda and/or qualified commonwealth lawyer with 1-4 years' PQE at a reputable law firm. The ideal candidate will have strong corporate legal skills and an understanding of Bermuda's digital assets regulatory framework.

Walkers Bermuda Limited offers a discretionary performance based bonus, pension, and fully covered health insurance.

If you feel like you would be a good fit for our team, we would like to hear from you. Walkers will not accept any applications received from agencies at this time. Only candidates selected for an interview will be contacted.
