

Live-in Elderly Caregiver/Housekeeper

Our client, **D. & F. Mason**, are seeking a nurturing Live-in Elderly Caregiver/Housekeeper to assist with personal and household duties for senior family members.

Key Duties & Responsibilities:

- Meal preparation
- Maintaining a schedule of daily medication and assisting with other medical needs as necessary
- Assist with personal care to include bathing, grooming and dressing, etc.
- General housecleaning, laundry, ironing and grocery shopping
- Provide mobility assistance and transportation to doctor and personal appointments
- Provide companionship and emotional support

Qualifications, Skills and Experience:

- Registered caregiver with a minimum of 5 years' experience
- Experience with proper patient transfer methods
- CPR and First Aid certified
- Must have a valid Bermuda driver's license or the ability to acquire one

The successful candidate must be willing to:

- Work a combination of both day and night shifts
- Work weekends and public holidays as required
- Work in a drug and smoke free environment

Our client maintains a drug-free work environment and reserves the right to perform pre-employment criminal background checks and random drug tests.

Interested applicants should apply in writing to:
