

VALIDUS RE

Manager, Financial Planning and Analysis

Validus Re, now a member company of AIG, is a global provider of reinsurance solutions for property, marine and energy, casualty, financial and other specialty lines of business. The Manager, Financial Planning and Analysis ("FP&A") will be responsible for the Validus Reinsurance ("Validus Re") FP&A process and will work closely with Group CFOs and the AIG Global FP&A team as part of the global AIG FP&A process.

KEY RESPONSIBILITES:

- Work closely with Group CFOs in the preparation of corporate expense budgets for Validus Re and its subsidiaries;
- Develop and manage the intercompany recharge process with global finance teams, ensuring adherence to global transfer pricing rules and regulations;
- Act as a liaison between AIG FP&A and the Validus Group for all FP&A related matters, including expense analysis reports, capital model updates and budget systems implementations;
- Manage and oversee the Company's U.S. based accounting staff and perform the quarterly reviews of management accounts for the Company's U.S. subsidiaries;
- Prepare quarterly projections and forecasts and other ad-hoc reports as required, including submissions to Global FP&A leads;
- Develop and implement processes for the quarterly analysis of budget vs. actual results and work with business owners to provide detailed analysis and commentary to senior management on trends and variances;
- Prepare and analyze periodic financial plans and capital stress tests for Validus Re and its subsidiaries;
- Prepare the Validus Re BCAR and other analyst model comparisons with supplementary analysis;
- Improve on existing planning, forecasting and management information systems for key FP&A processes;
- Assist with the preparation of various rating agency surveys and submissions;
- Ad hoc requests and projects, as required.

REQUIRED SKILLS AND EXPERIENCE:

- CA, CPA, ACA or other equivalent accounting designation required;
- A minimum of 7 years' of similar professional accounting experience, including experience within the (re)insurance industry;
- Significant knowledge of US GAAP, specifically as it pertains to insurance and reinsurance companies;
- Experience with SUN General Ledger system and SAP BPC or similar platforms;
- Experience with financial modeling and capital modeling/projections;
- Proficiency with the Microsoft Office Suite of applications;
- Proven organizational and timekeeping skills and a strong sense of attention to detail are essential
- Excellent verbal and written communication skills i.e. a thorough command of the English language including excellent spelling, grammar and punctuation.
- The ability to deal effectively and courteously with clients and colleagues, and to exercise discretion and confidentiality in all matters.
- Must be able to work outside of normal office hours including evenings, weekends and public holidays if necessary

If your experience matches the above criteria, please send your resume and covering letter highlighting your experience as relevant to the role to:
