

### **Valuation, Modeling & Economics - Senior**

EY, a global market-leading professional services organization, with dynamic people in more than 150 countries, is committed to operating with integrity, quality and professionalism in the provision of audit, tax, advisory and transaction advisory services.

We are currently seeking qualified candidates to be considered for the position of senior in our Valuation, Modeling & Economics (VME) team in Bermuda. EY has an established industry leading VME group and we advise our clients in addressing their strategic planning, regulatory compliance, financial reporting, tax and fair market value documentation needs.

#### **Responsibilities and required experience:**

- ▶ In consultation with the manager, senior manager or partner, advise businesses on valuations issues with regards to acquisitions or divestitures and provide fairness opinions on transactions and restructurings
- ▶ Work with management as part of an acquisition process to understand how the value of acquired intangible and financial assets will impact accounting requirements, as well as assist in the review of valuations performed by management or third-party specialists and used by hedge funds and private equity firms for financial reporting purposes
- ▶ Undertake valuations for fiscal purposes in both the regional market and as necessary other jurisdictions and advise clients on tax valuation issues
- ▶ A bachelor's or graduate degree in finance, economics, accounting or business
- ▶ A minimum of 18 months of relevant work experience; prior experience in a public accounting/professional services firm and in the financial services industry is required and previous experience in valuations is strongly preferred

The successful candidate must be highly motivated, analytical and logical thinker with a passion for valuations and have a very strong attention to detail. Being a strong team player is critical with the ability to adapt to changing requirements or deadlines in support of our client's goals.
