

EXPERIENCED SAILING CAPTAIN

A well established private charter sailing & snorkeling company is seeking a professional, experienced and fully licensed sailing captain.

The successful applicant will possess:

- Marine & Port certified Engine Driver's & Pilot's Licenses A & B
- Experience sailing and navigating vessels up to 51ft in length in local waters
- CTA and TIPS certified
- PADI or equivalent Scuba Certification
- First Aid & CPR Instructor Certifications
- Very good communication skills, with thorough knowledge of Bermuda history and ecology
- Extensive experience maintaining and repairing vessel systems, including, but not limited to: diesel mechanical, electrical, plumbing, hull & fittings, both above and below waterline

- A very good work ethic, be honest, personable, a team player, well presented, and punctual
- Management experience a must

Responsibilities will include, but not limited to:

- Sailing and navigating large catamarans during charters
- Charter setup and breakdown, including cleaning, repair, and maintenance as necessary
- Commentary on the history and ecology of Bermuda
- Maintaining a safe and enjoyable private charter environment for clients during sailing and snorkeling operations
- He/she will be required to work weekends and public holidays

Application deadline: Thursday December 26, 2019
