

Join a world-class organisation

Chubb Bermuda invites applications for the position of **Vice President, Underwriter** in the Excess Liability Division. This position will report directly to the SVP, Head of Excess Liability.

With operations in 54 countries, Chubb Group is one of the world's largest multi-line property and casualty insurers.

Duties include, but are not limited to:

- Underwriting of an assigned portfolio of Fortune 500 - 1000 clients to include detailed analysis of operational/risk exposures, chairing of client meetings, negotiation of pricing and coverage terms
- Strategic analysis and planning/forecasting of key industry portfolios
- Responsibility as a senior referral source for underwriters as stipulated per authority guidelines
- Line management responsibility for underwriter/AVP level staff
- Assisting with design and implementation of department training and development programmes; actively train and develop underwriting staff
- Developing and maintaining broker and client relationships
- Marketing of Chubb Bermuda products and capabilities
- Preparing of quotes, binders, and policy documentation in accordance with codified service standards
- Completing and maintaining all external and internal audit compliance documents required for underwriting files
- Ad-hoc project work including emerging issues research, workflow process improvements, new product development, etc.

At a minimum, the successful candidate should possess the following:

- Ten or more years casualty underwriting experience
- Undergraduate degree from an accredited institution and a professional insurance designation (e.g., CPCU, ACII)
- Experience managing a large book of business including experience in a sales production role with a proven record
- Proven track record for development of strong relationships with key client, broker and reinsurer stakeholders
- Demonstrated knowledge of industry accepted policy forms
- Strong interpersonal skills and the ability to communicate and negotiate terms effectively
- Strong analytical skills and excellent problem solving/decision making abilities
