Requires

Thai Massage/Beauty Therapists

With at least four years practical experience in all forms of Thai massages including: Aromatherapy, Hot Oil, Thai Herbal Compress, Indian Foot and Head Massages. We also offer facials, manicures, pedicures, and body treatments, including waxing.

Applicants must have worked in a similar type of establishment or spa and possess certification as to their experience and abilities.

Therapists should have the self-motivation to build a regular clientele base. It is essential that they are able to keep accurate records as to their clients requirements and treatments and be organized in their duties in the salon.

Due to the nature of the business, therapists will be expected to work split shifts, weekends, holidays and evenings.

Please send an up to date resume with at least two recent professional references as to your experience to Thanya Knights, #9 Laffan Street, Pembroke HM 09, Hamilton or email info@thaimassagebda.com.
