

**Resolution Life Group Services Ltd.** is a specialist Bermudian life reinsurance company and a subsidiary of Resolution Life Group Holdings (RLGH). RLGH's mission is to build a global, diversified and lasting life insurance company. Their focus is providing excellent policyholder service and delivering sustainable financial results within a well-controlled risk framework. This is an opportunity to join a growing entrepreneurial life insurance organization.

The **AVP, Financial Reporting (Manager)** is a high visibility and hands-on role designed for a financial business leader who is an expert in US GAAP or IFRS financial accounting and reporting. This position will establish and implement a financial reporting infrastructure to support the consolidated financial reporting requirements of the group. The successful candidate will report to the Group Chief Accounting Officer & Financial Controller.

**The role includes but is not limited to: responsibilities will include:**

- Preparation and review of quarterly and annual consolidated financial statements for the Groups.
- Coordination with external and internal auditors to ensure compliance with internal and external reporting deadlines.
- Co-ordination with Treasury and Investment managers.
- Monitoring changes in US GAAP / IFRS accounting principles and recommendation on approach for the Group and implementation of changes where required.
- BMA reporting.

**The successful candidate will possess the following:**

- A qualified CPA/ACA with 10 years of accounting/finance experience with a minimum of 7 years relevant insurance, investment and public accounting experience.
- Experience in the following is required:
  - o Co-ordination of group reporting and the preparation or audit of group consolidations.
  - o Industry experience outside of the public accounting firms.
  - o US GAAP plus IFRS reporting.
  - o Supervising other finance team members.
  - o Life & Annuity (re)insurance.
  - o SOX frameworks.
- Excellent analytical & communication skills.
- Project management skills advantageous.

This is an opportunity to join a growing entrepreneurial life insurance organization - the style of the ideal candidate must be hands-on, focused and direct to be impactful in this fast paced, entrepreneurial culture. The selected candidate will uphold the highest standards of financial integrity, financial discipline and transparency.
