

We're hiring

Actuarial Consultant

Deloitte Bermuda is seeking an Actuarial Consultant to join our diverse and dynamic actuarial team.

What will your typical day look like?

You participate in actuarial projects in both general and long-term insurance. You are passionate about client service and deliver a variety of actuarial service offerings. As a key contributor within the practice, you may participate in marketing and business development efforts. You're involved with multiple deliverables and have a skill for communicating actuarial concepts to a diverse audience.

The standard requirements of this role include:

- Bachelor's degree or above with strong academic credentials
- A minimum of two years' experience in Financial Services is preferred
- Progress in exam writing with an internationally recognized actuarial society
- Experience working on audit engagements
- Experience with IFRS17 implementation projects
- Ability to prioritize tasks, work on multiple assignments, demonstrate sound judgment and work under tight time deadlines
- Ability to work both independently and as part of a team with professionals at all levels
- Demonstrated client service skills, project management skills, and performance oriented

All applications should be submitted online at:
