On behalf of our Client; **Paget Associates**, we
invite candidates to apply for the position of:

Mason

The successful applicant will have a minimum of five years solid masonry experience, including laying block, plastering and all aspects of framework carpentry. Applicants must be able to read detailed plans and have worked in all facets of residential and commercial construction.

The successful applicant will have the ability to work well with others, at times with minimal supervision, executing projects to a high standard. Overtime is expected in this role to include both evenings and weekends to ensure project deadlines are met. Paget Associates is a drug free workplace, therefore successful candidates may be required to undergo drug testing.
