# CALLING ALL NURSES

## We Need You to Help Flatten the Curve

**The COVID-19 pandemic has increased our need for experienced health care workers who at a moment's notice can step into a challenging environment to maintain quality patient care.**

We are seeking **Registered Nurses** with experience working in an acute care hospital, and those that are due to gain their registration shortly. **Temporary and fulltime positions are available.** Even if you are not sure that your skills are the ones we need, please apply. Your particular skills may be beneficial in other areas. We will ensure the appropriate training for those in need.

Apply at  
**[www.bermudahospitals.bm](http://www.bermudahospitals.bm)**  
by clicking on **Work at BHB.**

Follow the steps and apply to Registered Nurses – Covid19.

Pre-employment substance abuse screening is mandatory for all successful candidates.
