

## Senior Compliance Analyst JR#2003498

### Who we are

American International Group, Inc. (AIG) is a leading global insurance organization. Building on 100 years of experience, today AIG member companies provide a wide range of property casualty insurance, life insurance, retirement solutions, and other financial services to customers in more than 80 countries and jurisdictions. These diverse offerings include products and services that help businesses and individuals protect their assets, manage risks and provide for retirement security.

### Get to know the business

Corporate operations provide a wide range of services to the organization such as finance, internal audit, communications, security and human resources.

### About the role

The AIG Bermuda Compliance Analyst reports to the AIG Bermuda Compliance Officer and is part of the AIG Bermuda Compliance Department. Responsibilities include working with the AIG Bermuda business units and providing guidance to the business regarding the topics such as economic sanctions, anti-money laundering (AML), privacy, anti-bribery, conflict of interests, code of conduct and other compliance topics. Candidate is required to have working knowledge of insurance operations and be familiar with Bermuda Codes of Conduct, Proceeds of Crime Regulations and Personal Information Protection Act. The position also supports AIG Global Compliance initiatives at the Bermuda country level, including but not limited to support with the annual compliance risk assessment, AML suspicious activity investigations, review of potential sanctions matches, and compliance training for AIG Bermuda employees.

### What you need to know:

- Provide guidance to AIG Bermuda employees on AIG Compliance policies, standards and procedures
- Review and determine resolution for potential economic sanctions matches
- Support business regarding implementation of regulatory changes on compliance topics
- Assist AIG Bermuda Compliance Officer with annual compliance risk assessment
- Assist AIG Bermuda Compliance Officer with monthly, quarterly and annual compliance reporting requirements

### What we're looking for:

- Bachelor's Degree or equivalent
- 2 + years' experience in a Compliance, Legal or Regulatory position
- Experience and understanding of the insurance industry, including knowledge of insurance regulations
- Demonstrated ability to influence and work effectively and cross-functionally within a highly-matrix organization with employees at all levels
- Self-starter with the ability to meet or exceed deadlines, prioritize, multi-task, and maintain flexibility in fast-paced, changing environment
- Strong problem-solving skills and the ability to confront conflict and difficult issues in a professional, assertive and proactive manner
- Excellent organizational, written, verbal and presentation skills including the ability to interpret and communicate compliance guidance internally

### A look at our benefits

At AIG, we have a 100-year legacy of working to make the world a better place. And that begins with our employees. We're proud to offer a range of employee benefits and resources that help you protect what matters most – your health care, savings, financial protection, and wellbeing.

We also believe in fostering our employees' development and offer a range of learning opportunities for employees to hone their professional skills to position themselves for the next steps of their careers. AIG also has a tuition reimbursement program for eligible employees to enhance their education, skills, and knowledge in areas that relate to their current position or future positions to which they may transfer or progress.

### We are an Equal Opportunity Employer

It has been and will continue to be the policy of American International Group, Inc., its subsidiaries and affiliates to be an Equal Opportunity Employer. We provide equal opportunity to all qualified individuals regardless of race, color, religion, age, gender, gender expression, national origin, veteran status, disability or any other legally protected categories. At AIG, we believe that diversity and inclusion are critical to our future and our mission – creating a foundation for a creative workplace that leads to innovation, growth, and profitability. Through a wide variety of programs and initiatives, we invest in each employee, seeking to ensure that our people are not only respected as individuals, but also truly valued for their unique perspectives.
