

PHARMACIST

Robertson's Drug Store has an opportunity for a pharmacist to join their team.

Responsibilities will include:

- Dispensing, checking for clinical interactions and correctness of prescriptions.
- Counselling and advising customers on their prescriptions and OTC medicines.
- Replenishing stock by ordering from overseas and local medicine wholesalers, (POM and OTC) in a timely manner.
- Receiving medicine orders and entering into pharmacy computer system, monitoring inventory levels, rotation of stock, checking expiry dates.
- Insurance billing of prescriptions claims to insurance companies, tracking and clearing insurance payments and following up rejections and non-payments.
- Completing professional obligations as required by the licensing body, Pharmacy Council.
- Monitoring and training of drug counter staff
- Managing store and staff in absence of store manager.

Required Skills

- A pharmacy degree with a minimum of two (2) years retail experience.
- Ability to be an effective team player, working with all staff.
- Applicant must be able to work independently, accurately and be willing to work shifts, weekends and public holidays.
