

Employment Opportunities - Senior Associate, Manager, Senior Manager and Director

PwC Bermuda requires qualified Chartered Accountants for opportunities at multiple levels in various lines of client sectors within our Assurance, Accounting Service and Advisory practices. As a qualified accounting professional, you will be working with high profile clients in an exemplary environment of the highest quality standards and coaching culture. The successful candidates will be delivering assurance and/or advisory services from planning phase through to completion for a range of clients, and must have successfully completed the requirements for an internationally recognised accounting qualification such as CA, CPA, ACA or ACCA.

Interested candidates should complete an online application via our careers page at pwc.com/bermudacareers or in writing to
