

Spa Massage Therapists

The Inlet Stream Salon and Spa is seeking high-energy and experienced Spa Massage Therapists with knowledge of a wide range of massage methods and techniques.

Responsibilities and Duties

- Massage soft body tissues to relieve discomfort and provide treatment for injuries, wellness maintenance or medical conditions.
- Apply pressure to specific parts of the body with the hands and fingers to release muscle tension and bring relief from related symptoms.
- Discuss client concerns, medical histories and specific stresses or pains to develop the most effective approach to massage treatment.
- Understands and believes in the healing benefits of massage therapy and bodywork.
- Develop personalized treatment plans for individual clients that specify massage types, treatment areas and treatment frequency.
- Refer clients to other professionals and therapists when appropriate and necessary to treat additional symptoms.
- Prepare oil blends for clients' skin and perform other treatment techniques and therapies in addition to massage.

Skills & Qualifications

- High school diploma, GED, or suitable equivalent.
- 5-8 years' work experience as a massage therapist in a hotel/resort.
- Proficient knowledge of and experience in reflexology, Swedish, Tai, prenatal, hot stone, trigger point, sports and deep tissue massage.
- Dedicated to the art of massage.
- Ability to handle sensitive client information with confidentiality.
- Complying with all applicable health and safety standards, rules and regulations related to massage therapy.
- Ensuring clean, safe and well-organized spa facility.
- Proficient computer skills.
- Excellent communication skills, both verbal and written.
- Dexterous and able to stand for extended periods.
- Comfortable with performing massages on diverse clients.
- Conducts work in a highly professional manner.
