

Discover where your talents can take you

Risk Assurance opportunities

Our Risk Assurance team is dynamic and growing, with new opportunities at Associate, Experienced Associate, Senior Associate and Senior Manager levels. As a valued member of the team you will be delivering Risk Assurance services to some of the leading companies on the island.

Your client portfolio will include a mix of:

- Global reinsurers and local insurance companies;
- Banking and asset management clients; and
- Private Client Services.

Required skills and experience:

Associate (open to Bermudians, PRCs, or Spouses of Bermudians)

- Applicants must have obtained a Bachelor's degree in accounting or similar business related subjects from an accredited university with a minimum GPA of 3.2 (B+ average) or its equivalent;
- Strong working knowledge of Microsoft Office applications, including Word, Excel and PowerPoint and interest in developing digital skills;
- Highly organized, dedicated and self-motivated with plans to pursue a designation such as CIA/CISA/CA/CPA/ACA or ACCA; and,
- Excellent in interpersonal and time management skills.

Experienced Associate and Senior Associate

- Applicants must have obtained a Bachelor's degree in accounting or similar business related subjects from an accredited university;
- Minimum 12 months of relevant audit experience gained working in a Big 4 or consulting environment;
- Experience in Risk Assurance or external audit is essential;
- Proof of progress made towards CIA/CISA/CA/CPA/ACA/ACCA License/ designation (Experienced Associate);
- Candidates who are fully qualified in one or more of previously listed qualifications, with successful Risk Assurance experience gained in a Big 4 firm (required) and working knowledge of insurance, internal audit, internal controls frameworks, regulatory reporting and enterprise wide risk management (preferable) will be considered at Senior Associate level; and
- All applicants must have the ability to effectively integrate and communicate with both clients and members of the engagement team.

Senior Manager

- More than ten years relevant Risk Assurance experience in a Big 4 or consulting environment with strong working knowledge of internal audit, data privacy, cybersecurity, internal controls frameworks, regulatory compliance and enterprise wide risk management framework;
- An appropriate professional qualification, such as CISA/CA/CPA/ACA. Candidates with other professional or academic qualifications and appropriate professional experience will also be considered;

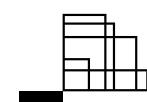

- Be well-versed in commercial insurance and have proven business development experience in this primary market;
- Having wider FS experience (funds and banking) is an asset;
- Proven relationship building and business development experience with strong client focus mindset and significant experience dealing with clients and ability to develop and build a client base;
- Proven ability to coach more junior team members through an assignment;
- Consulting and data analytics experience is a plus;
- Highly organised, dedicated and self-motivated;
- Excellent proven communication, interpersonal, time management and report writing skills; and
- Strong presentation and negotiation skills.
