## Controller

ABR Reinsurance Ltd, is an innovative and growing independent reinsurer. Through unique long-term arrangements, The Chubb Group is the sole source of reinsurance risks ceded to ABR Re, and BlackRock Financial Management is ABR Re's exclusive investment management service provider. We underwrite a portion of a broad selection of reinsurance treaties that Chubb places with the traditional reinsurance market and invest our assets in a diversified and dynamic alternative investment portfolio managed by BlackRock, the world's largest investment manager. We are a small, nimble, and growing reinsurance company harnessing the complementary strengths of our sponsors, Chubb and BlackRock, to drive results on both sides of the balance sheet.

The Controller will manage accounting, financial reporting, financial controls, and treasury activities for the company with oversight from the CFO. Specific responsibilities include:

- Managing the monthly financial close process and production of internal management and financial reports
- Producing quarterly and annual financial and regulatory reporting, as well as financial planning and analysis materials
- Overseeing all policy-related payments, as well as G&A disbursements
- Leading the annual financial audit process
- Performing quarterly and annual capital modeling and stress testing
- Maintenance and ongoing development of internal accounting processes and controls
- Supporting the CFO in investor relations and shareholder administration
- Additional projects or responsibilities as may be required

### Minimum Qualifications, Skills & Experience:

- Bachelor's degree from an accredited university; accounting-related or quantitative field of study preferred
- Professional accounting designation (e.g. CPA, CA)
- 10 years of directly relevant post-qualified property/casualty business experience gained in (re)insurance, (re)insurance management, or audit
- Strong experience with and knowledge of U.S. GAAP, (re)insurance company accounting, financial reporting, and financial controls
- Extensive experience with and knowledge of reinsurance company policy documentation, premiums and claims processing, receivables/payables tracking, and recording of reinsurance activities for financial reporting
- Advanced Microsoft Excel skills
- Demonstrated strong quantitative and analytical ability, in addition to proven communication and interpersonal skills
- Strong work ethic, including demonstrated ability to meet tight deadlines and work extended hours and weekends when required
- Desire to learn and grow professionally in an energetic and entrepreneurial small team environment

ABR Re offers a competitive compensation and benefits package, including life, health, dental, and disability coverages.
