

Principal - Portfolio Manager, Hiscox ILS

The Principal - Portfolio Manager (“PM”) role is a Bermuda-based dedicated senior underwriting and portfolio management resource. As a senior member of the Bermuda-based investment team you will have primary responsibility to set and implement portfolio strategy, source and assess reinsurance business and help deploy capital into transactions that meet the risk/return characteristics of the various Hiscox ILS strategies. You will develop and mentor other members of the Investment Team. You will also be responsible for developing new re/insurance linked investment products, working closely with other Hiscox Group divisions. The successful candidate will utilise the significant leverage of the Hiscox brand in addition to their own experience to orchestrate the long-term success of the platform. If you want to help drive the continued build-out of the Hiscox ILS platform by participating in the myriad of activities typical to a fast paced growing business, including an exceptionally broad overview of the property reinsurance space and working closely with blue-chip institutional capital, this role is for you.

Minimum Requirements:

- At least 7 years in a similar role with strong technical underwriting as well as demonstrated ability to design and implement portfolio strategy
- Ability to source and assess transactions which suit portfolio strategies and manage, track and report fund allocation in accordance with policy
- Demonstrable ability to manage relationships with multiple internal stakeholders at Hiscox, in particular Group underwriters who will be a key conduit for accessing risk
- Experience in managing relationships with external stakeholders, including protection buyers and sellers, brokers where appropriate
- Experience in operating within a regulated environment and internal governance frameworks including presenting at investment committees and to fund board of directors
- Familiar with RMS and AIR software and can liaise effectively with the Modelling team
- Ability to work with the Hiscox ILS team in broader activities to ensure platform success
