

BREW MASTER

Onderrock is a local micro craft brewery making 600 bbl per annum. We are seeking a brewer as our current brewer is retiring. We operate an automated 3 bbl brew kettle with #7 7bbl fermenters and #2 7 bbl brite tanks producing high quality in demand local craft beers.

Duties: You will be responsible for all aspects of brewing operations including brewing, recipe development, raw material handling, mashing, boiling, wort cooling, inventory, ordering, scheduling, sanitizing, kegging, canning, delivery, client line cleaning and set up and all other things necessary to maintain operations leading to quality beers. This includes carrying, bending, moving 80lb kegs, communicating with customers and promoting the product.

Qualifications

- Minimum of 7 years experience as a brewer with at least 4 years as a senior brewer
- Formal brewing education with an in-depth knowledge of the classic brewing traditions as well as keeping up with new styles, techniques, recipes and trends
- Strong technical ability with basic understanding of electrical, plumbing and refrigeration
- Ability to create new recipes
- Personable and keen to promote product and meet with clients
- Strong work ethic and attention to detail
- Ability to work alone and think independently
- Valid driver's license
- A passion for brewing and beer culture
- Ability to be on feet for extended periods of time and work in uncomfortable hot, wet conditions
- Flexible long work hours including weekends in order to maintain brew schedule

Please apply no later than **March 15th 2021** to: Performance Solutions Limited, Suite 350, 11 Bermudiana Road, Hamilton HM08. E: hr@psolutions.bm Ph: 441-232-5270
