

THE CHATMORE BRITISH INTERNATIONAL SCHOOL

Primary Years Teachers (2 posts)

Seeking a qualified teacher who will: promote high expectations for our students at Primary Level; implement the school's curriculum; design learning activities that are aligned to our school's values and create a learning culture where there are no limits to what can be achieved; foster an environment of respect within in the classroom, facilitating learning through question and discussion; will demonstrate essential professional characteristics and possess an outstanding knowledge of adventure-based learning and overall child development. Experience teaching using the International Primary Curriculum is an asset.

Secondary Years Teacher

Seeking a qualified Secondary level trained teacher who will: promote high expectations for our students at Senior Years (14-18 years), to design learning activities that are aligned to our school's curriculum; create a learning culture where there are no limits to what can be achieved; foster an environment of respect within in the classroom, facilitating learning through question and discussion; demonstrate essential professional characteristics, considerable ability to collaborate and possess an outstanding knowledge of project-based learning, adolescent development and career planning. A firm knowledge in the Humanities is required. Ability to deliver the school's I/GCSE syllabus and schemes of work is preferred. May be required to assume leadership and/or administrative duties as part of this role.

ALL APPLICANTS

Minimum Qualifications

Possess a relevant degree or certificate in Education, with PGCE or equivalent and be eligible for BEC Licensure. Experience teaching in a British International School or International school environment is preferred. Knowledge and demonstrated ability to lead and engage an interactive experiential and project-based learning environment is required. A solid understanding of and ability to develop, implement and manage individualised learning plans for students is essential. Strong knowledge and experience teaching specialist subjects, in addition to other core subjects is preferred. Proficient knowledge of UK curriculum coupled with ability to incorporate units of enquiry is preferred. Proven ability to develop and manage classroom programmes and the integration of ICT into curriculum. Proven ability to consistently implement effective and engaging learning approaches. Must be a keen outdoors person who enjoys activities, sports, horticulture and moving about the community.

Desired Skills & Attributes

The applicant must be a keen outdoors person committed, creative, adventurous and athletic. The applicant will be reflective of their own teaching and student outcomes, seeking out and implementing new ideas and innovative practice to ensure student learning. Must be keen to participate in outdoor learning, collaborate and share specialist expertise, and be a fitting ambassador for the school. The successful candidate will communicate with confidence across diverse audiences and situations, using their expertise to build strong relationships with students, parents and the community. Must be able to multi-task.

Closing date - **Wednesday March 24th, 2021**
