

## **Aon Is Looking For A Strategy Associate Analyst**

As part of an industry-leading team, you will help empower results for our clients by delivering innovative and effective solutions supporting our Aon Inpoint practice group within Commercial Risk in Bermuda. Aon Inpoint provides (re)insurer clients with advisory services and strategic implementation support to help them navigate a fast-changing market environment to drive profitable and sustainable growth and business results. We have privileged access to Aon's proprietary data and its global network of (re)insurance industry experts to derive unique and compelling insights into the sources of competitive advantage in our industry. Most importantly, we help our clients to turn insights into practical actions and tangible returns.

As an Associate, you will work closely with Client Leaders and Project Managers.

### **Your Impact As An Associate**

#### **Job Responsibilities:**

- Participate in various phases of the client engagement including:
  - o Interpreting data, analyzing results and using statistical techniques
  - o Preparing and participating in client interviews
  - o Developing client-ready materials (PowerPoint, Excel, and Access)
  - o Supporting project leadership in synthesizing findings and identifying key insights from analysis of data
  - o Communicating findings among the internal project team
- Work with senior management to develop proposals and create marketing and business development material
- Support the operational needs of Aon Inpoint including internal initiatives such as recruiting, marketing, communications, etc.
- Develop and implement data analyses, data collection systems and other strategies that optimize statistical efficiency and quality
- Acquire data from primary and secondary sources and maintain databases

### **You Bring Knowledge and Expertise**

#### **Required Experience:**

- Strong analytical abilities with the ability to collect, organize, analyze, and disseminate significant amounts of information with attention to detail and accuracy
- Attractive record of academic success
- Willingness to learn and solve complex problems
- Ability to perform well under pressure, on multiple workstreams, and with tight deadlines
- Regularly identifies opportunities to take on additional responsibility and to work more efficiently
- Strong interpersonal skills and the ability to build relationships with clients
- Willing to travel
- Willingness / ability to work internationally
- Proficiency in Microsoft Office

#### **Education/Experience:**

Bachelor's degree or two years of relevant experience in consulting, finance, corporate strategy or (re)insurance.

#### **We offer you:**

A competitive total rewards package, continuing education & training, and tremendous potential with a growing worldwide organization.

#### **Our Colleague Experience:**

From helping clients gain access to capital after natural disasters, to creating access to health care and retirement for millions, Aon colleagues empower results for our clients, communities, and each other every day. They make a difference, work with the best, own their potential, and value one another. This is the Aon Colleague Experience, defining what it means to work at Aon and realizing our vision of empowering human and economic possibility. To learn more visit [Aon Colleague Experience](#).

#### **About Aon:**

Aon plc (NYSE:AON) is a leading global professional services firm providing a broad range of risk, retirement and health solutions. Our 50,000 colleagues in 120 countries empower results for clients by using proprietary data and analytics to deliver insights that reduce volatility and improve performance.
