

Join a team who cares about excellence

CLINICAL MANAGER – Level 2

MATERNAL CHILD SERVICES

BHB ensures the highest in quality health care through service excellence, education and leadership. We seek qualified, highly motivated, and experienced professionals to work in a supportive but demanding environment.

Key responsibilities include:

- Offers clinical expertise and leadership as requested by their Director in carrying out Strategic Direction and service development
- Ensures action plans are implemented within the Maternal Child Service to meet the organization's strategic goals as measured by the strategic and departmental dashboards
- Leads and role models the delivery of an interdisciplinary, coordinated approach to patient care in their Unit
- Collaborates with other Managers as appropriate to promote system solutions and resolve issues that cross departmental lines
- Optimizes educational resources from the Clinical Education Department; oversees unit processes to ensure that staff has the appropriate clinical skill and knowledge in a timely and effective manner, to deliver safe and quality patient care
- Accountable for budget performance and labour costs for Unit
- Manages and role models service excellence within the department/unit and ensures customer service goals are achieved

Qualifications & Registration required:

- Bachelor of Science Degree in Nursing (BSN), or equivalent required
- Master's Candidate (MSN), preferred
- Five years of management experience (either in a supervisory or functional area)
- Experience and training relevant to antepartum, labour and delivery, postpartum, gynae care and neonatal nursing experience
- Current licensure and registration as required by Bermuda Nursing and Midwifery Council (BNMC)
- Current CPR, NRP

Closing date for applications is May 21, 2021. Pre-employment substance abuse screening is mandatory for all successful candidates.

If you want to make a difference, and if your experience and qualifications match the above criteria,
