

We're hiring!

Aon is recruiting for a **Strategy Associate** to join Aon's Inpoint business (Bermuda).

Aon Inpoint helps (re)insurers improve performance by shaping their strategy and bringing it to life. As part of a leading global professional services firm and the world's largest broker, nobody can do this better than us. We are practical, grounding our recommendations in the real world. Our access to Aon's data and insurance experts gives clients confidence in the decisions we help them make on their strategy.

You will join Aon Inpoint's Bermuda team as a Strategy Associate. Inpoint is a global team, operating for our clients across the US, Europe, Latin America and Asia Pacific. You will work as part of small project teams to develop and research strategic options and recommendations that will help clients grow and improve performance.

About the Role

Your key responsibilities will include:

- Working as part of a team that delivers tailored projects for insurers and reinsurers on wide ranging strategic questions.
- Undertaking market research, financial and data analysis that informs recommendations.
- Supporting the preparation and facilitation of interviews with clients and Aon colleagues.
- Developing an internal and external network to build connection between Aon's market practitioners and key industry figures.
- Engaging and contributing to the production of reports and other client deliverables.

About you

As a Strategy Associate your skills and qualifications will include:

- Proven experience within strategy, insurance, accountancy or consulting.
- A minimum of a Bachelor's degree (or equivalent).
- Project management or account management experience.
- Track record of successful stakeholder management.
- An engaging and positive personality looking for interaction with clients and colleagues.
- Team player with proven experience of Excel based analytics.
- Excellent oral, written and problem solving skills.
- Business acumen and intellectual curiosity.
- Commitment to personal development.

Our Colleague Experience

Every day our colleagues make a difference, work with the best, own their potential and value one another. Together, we share this one purpose: to empower economic and human possibility around the world. This unifying goal is at the heart of our identity and it lives in everything we do. To learn more about our colleague experience, visit [Aon Colleague Experience](#).

We offer you

A competitive total rewards package, continuing education and training, coupled with the exciting potential that comes from joining a growing and well respected worldwide organisation. Aon is an equal opportunities employer. Aon's recruitment and selection policy ensures the best possible skill mix of colleagues and the highest quality candidates are appointed using objective job-related criteria.

About Aon

Aon plc (NYSE:AON) is a leading global professional services firm providing a broad range of risk, retirement and health solutions. Our 50,000 colleagues in 120 countries empower results for clients using proprietary data and analytics to deliver insights that reduce volatility and improve performance.
