**Kuvare Life Re Ltd. ("KLR")**, a Bermuda-domiciled Class E long-term insurer, is seeking a qualified professional for the role of **Financial Accountant** within the finance team supporting KLR and its affiliates.

## ► FINANCIAL ACCOUNTANT

### Key Duties and Responsibilities:

- Support all accounting and operational aspects of reinsurance transactions
- Preparation of monthly and quarterly financial reporting journal entries related to reinsurance activities and other related financial reporting calculations
- Process internal and external invoices and managing expense reports in line with company policy
- Initiate payments via the electronic banking system
- Assisting the finance team during the monthly and quarterly close process
- Prepare quarterly and annual US GAAP financial statements and annual Bermuda statutory reports
- Provide quarterly analysis of financial results
- Participate in process improvement and automation projects
- Participate in other ad-hoc projects as required

### Minimum Qualifications and Experience:

- An internationally recognized accounting designation
- Minimum 2 years of financial reporting or related (re)insurance experience, either as a service provider, auditor or working directly for a life (re)insurer
- Strong knowledge and working experience of US GAAP for a life (re)insurance company, including accounting for life (re)insurance and annuities
- Experience with US Statutory and BMA reporting, including experience under the current BSCR / EBS regime
- Strong computer skills including Microsoft Excel
- Ability to establish and maintain effective working relationships with other employees
- Ability to manage multiple projects at once and know how to prioritize deadlines
- Willingness and capacity to work long hours including evenings, weekends, and public holidays and on short notice is essential
- Organized and has good attention to detail
- Candidates without an internationally recognized accounting designation but with 7 years of financial reporting and detailed accounting experience working within in the life (re)insurance industry may be considered
