

COUNSELOR/ PSYCHOLOGIST

EMPLOYEE ASSISTANCE PROGRAMME OF BERMUDA

The Employee Assistance Programme (EAP) Bermuda is a not-for-profit organization providing counseling and consulting services to over 200 companies. We are seeking an experienced EAP Counsellor who is a qualified mental health professional.

This is a full-time position reporting to the Executive Director of EAPB, major responsibilities include:

- Client problem identification, assessment and referral to community resources to aid in the resolution of personal or work-related problems
- Short-term solution-based counselling
- Case management and follow-up for clients
- Management consultations
- EAP related training to member organizations
- Accreditation and process quality improvement initiatives

The successful applicant will:

- Have a Masters Degree in a clinical mental health discipline i.e. social work, psychology, marriage & family therapy, and professional counselling.
- Have a minimum of five years experience in a clinical setting.
- Have experience and proficiency in developing and providing workshops and training seminars
- Have excellent communication and case management skills

If you have a keen commitment to quality results and enjoy working in a team environment that can be both demanding and stimulating, please contact us by email prior to May 28th, 2021.
