

ACS

Excavating, Trenching & Trucking

Alternative Concrete Solutions provides a range of services including excavation, trenching services and general trucking. Our clients include Government departments, private residents and companies of all sizes. We would like to invite applicants for the position of heavy equipment machine operator and mason with at least 7 to 10 years experience. Knowledge of mechanics would be an asset. Candidates should be punctual, responsible and dependable.

Please apply in writing to **acsbermuda@gmail.com** or call 505-5542 to set-up a meeting. Application deadline is Monday, May 31st, 2021.
