

On behalf of our client:
HMC Burnaby Urgent Care & Medical Imaging
We are seeking a
General and Vascular Ultrasound Technician

Our client is seeking a full body diagnostic and vascular medical sonographer to work in a busy Medical Practice. The desired candidate must be able to provide the full array of diagnostic patient care services using ultrasound and related diagnostic procedures encompassing all areas of the anatomy and must be qualified to practice in Bermuda in vascular, abdominal and OB/GYN and general ultrasound. The successful candidate must have graduated from an accredited ultrasound program, and be qualified as a Medical Sonographer with at least 2 years' experience working in a hospital or medical practice. A qualification in echocardiography in addition is preferred.

The successful applicant will be available to work from Monday to Sunday with evenings and be available to be on call evenings and weekends when required.

Please send a resume and a minimum of two (2) employment letters of reference marked *Private and Confidential* to: Human Resources, SOS Limited, P.O. Box HM 1721, Hamilton, HM GX, Tel: 295-1585, Fax: 295-1495 or email: hr@sos.bm – Closing Date: June 28, 2021
