

Applications are invited for our 2021 Training Program, which has been created for Bermudians who have recently passed all of the academic requirements to become a lawyer.

Bermuda Training Program

Our program consists of two years of training, which is divided into four six-month seats providing balanced, practical, hands-on experience in different areas of law, both contentious and non-contentious.

This is an exciting opportunity to join a team that delivers world-class legal services to financial institutions, corporations and private clients.

We are looking for candidates with outstanding academic and personal achievements. Eligible applicants must have a 2:1 (or higher) honours degree or equivalent and must hold Bermuda status. If you satisfy these requirements and would like to apply, please send your covering letter, resume, proof of Bermudian status and a recent transcript to tiffany.tavares@careyolsen.com.
