### **CASUALTY BROKER – ENERGY AND CONSTRUCTION**

Aon (Bermuda) Ltd. provides clients with specialist insurance broking, reinsurance expertise and consultancy services. We are seeking to employ a Casualty Broker at the Vice President level. The successful candidate will be expected to operate as an effective team member by supporting senior management and brokers and contributing to the achievement of overall team and business objectives.

*Key position responsibilities:*

- Design, placement and servicing of insurance programs with Bermuda-based markets writing casualty coverage.
- Preparation and presentation of proposals for renewal and new business opportunities.
- Interaction with clients, senior underwriters and overseas executives.
- Participation in client meetings.
- Business travel as well as frequent entertainment of clients outside of normal business hours.
- Any other duties of a similar nature as identified by senior management.

*Position requirements:*

- Bachelor's degree in a business related field.
- Minimum of ten years of recent experience with an emphasis on large Energy, Utility and Construction Risks.
- Preference will be given to individuals who have obtained insurance related qualifications (CPCU/ACII/ARM).
- Expertise in occurrence, occurrence-reported and claims-made liability policy forms.
- Strong interpersonal, analytical and presentation skills.
- Well developed business, communication, teamwork and social skills together with capabilities for strengthening market relationships.
- Ability to make decisions under pressure.
- Excellent computer skills including Windows based applications and Outlook.

The Company offers an attractive compensation and benefits package commensurate with qualifications and experience.

Applications must include a detailed resume, submitted under confidential cover to:
