Professional Accountant

The Accounting Department Ltd. provides Accounting, Management Consulting, Knowledge Transfer, and other services to a variety of local and international businesses. We are looking for a Professional Accountant to assist our growing practice with project accounting, consulting, and advisory services. The hours are based on the needs of our clients as well as the type of work being performed.

As a consultant, you will be responsible for supporting a variety of clients and tasks. This will require you at times to be working at multiple sites on projects that will require different skill sets. You will be required to be able to support multiple engagements and to be able to provide support and supervision to both internal and client staff. The work hours are based on the needs of our clients as well as the role required by the client. It can be expected that there will be times when working with clients will have to be done out of normal office hours and on weekends due to their availability and the timing of financial reporting closings.

The successful candidate will have:

- Professional Accountants must have CA, CMA, CPA CGA, or ACA accounting designation and are registered with CPA Bermuda.
- 3 years plus of post-qualifying and progressive experience.
- Big 4 experience in Audit and Advisory Services capacity.
- Experience in Bermuda Companies, Insurance, Banking and Oil & Gas sectors would be beneficial.
- Excellent technical and financial reporting knowledge.
- Experience with QuickBooks, Microsoft Dynamics, SAP, Oracle, FRx and Crystal Reporting are beneficial as well as advanced Excel reporting skills.
