

Senior Accountant, Group Financial Reporting

Enstar Limited, a wholly-owned subsidiary of Enstar Group Limited, a Nasdaq listed company that acquires and manages insurance and reinsurance companies, is seeking a Senior Accountant, Group Financial Reporting. This role supports the Group Head of Financial Reporting in the production of Enstar Group's quarterly financial reporting, maintenance of a strong Internal Control framework, and the preparation of consolidated management reporting information.

Key Responsibilities:

- Preparation of key primary statements and disclosure notes for SEC filings in accordance with US GAAP and SEC Regulations such as quarterly 10-Q's and annual 10-K's, including preparation of all supporting materials;
- Maintenance of Group consolidation system, running monthly consolidations, preparation of all consolidation adjustments for review;
- Preparation of reconciliation controls between a source system and a general ledger;
- Ensure complete integrity of data across all Group finance systems;
- Review and elimination of intercompany transactions and balances on a monthly basis;
- Provide support to local finance teams to resolve consolidation issues arising from internal transactions.
- Prepare financial analysis as required for Board Reporting;
- Develop repeatable, technology-driven solutions for extracting and summarising the Group's general ledger data to respond to ad-hoc reporting requirements;
- Collaboration with local finance teams to collect and consolidate information for group disclosure;
- Liaison with external auditors (provide audit evidence) and Internal Audit (participate in walkthrough testing of SOX processes);
- Internal Controls Over Financial Reporting: draft new control descriptions, prepare, maintain and update process documentation and group policies, ownership of IPE registers; and
- Carry out duties within our internal policies and procedures in accordance with applicable law, rules, regulation, good governance, and Enstar's shared values, including putting clients at the heart of our business.

Minimum Qualifications, Skills, and Experience:

- An internationally recognized accounting designation (e.g. CPA, CA, or ACCA) is required;
- Bachelor's degree in a relevant field (e.g. Accounting, Finance) preferred but not essential;
- Three to five years prior experience within a Big 4 auditing firm, focusing on SEC registrants, or similar insurance industry experience;
- Experience with US GAAP and SEC reporting;
- Exposure to general ledger systems and experience with disclosure software preferred;
- Strong Excel data analysis skills, including data enrichment and summarization;
- Ability to identify and implement appropriate reconciliation controls between different sources;
- Ability to summarize complex data quickly for Executive consumption;
- Experience working in, or auditing organizations operating a SOX control environment;
- Must have an advanced working knowledge of Microsoft Office suite;
- Must show initiative, demonstrate an ability to work both independently and as part of a team; and
- Self-motivated, strong sense of urgency, highly organized, and able to effectively manage multiple priorities and deadlines in a fast-paced business environment.

Please apply in writing enclosing a detailed resume no later than August 3, 2021 to:
