Our client, Fortitude Reinsurance Company Limited, invites applications for an Associate Director, Pricing. Fortitude Re is a Class E and Class 4 licensed Bermuda liability-led reinsurer of legacy insurance portfolios complemented by sophisticated investment capabilities. The Associate Director, Pricing is an experienced technical contributor playing a key role in the production and interpretation of pricing analytics in support of life and annuity reinsurance transactions.

### Key Responsibilities:

- Set up and run pricing analysis, produce sensitivities
- Iterate on reinsurance structure and treaty terms to optimize solutions for counterparties
- Communicate pricing results and recommendations to internal stakeholders
- Follow applicable governance and pricing standards
- Review, validate, and extend existing models

### Position Requirement:

- Qualified or near qualified Associate or Fellow of the Society of Actuaries or Institute of Actuaries (or equivalent) with 3-7 years of relevant experience
- Strong modeling and technical skills (Excel modeling skills required, SQL/Python/Julia a plus)
- Experience in pricing, corporate FP&A, Capital Management, Valuation, Financial Reporting, Reinsurance, and/or ALM a plus
- Strong communication and interpersonal skills, adaptable and team player
- Organized, reliable, detail-oriented, and motivated to support teams in delivering timely results and quality work products

### Ideal Candidate Will:

- Be able to prototype models for validation and ground-up development, learn in real-time, anticipate problems/challenges, and proactively addressing them
- Have a strong conceptual understanding and hands-on experience with financial reporting bases (e.g. Bermuda and US regimes)
- Be supportive and encouraging with other team members, including development of junior staff
- Be customer-oriented (internal and external)
- Be driven to solve problems in a disciplined and pragmatic way
