

Requires

EQUIPMENT MECHANIC

Island Construction Services Ltd. are seeking an experienced mechanic with at least seven (7) years experience to work for a busy excavating firm. Ability to repair and service various types of diesel and gas heavy construction equipment, including, but not limited to, diagnostics, computers, electronics and hydraulics equipment. Please apply with at least 2 references from supervisor(s) in the industry confirming abilities.

HEAVY EQUIPMENT OPERATOR

Applicant must have a minimum of five (5) years experience operating Heavy Equipment Machinery, such as Excavators, Payloaders, Crushing and Sifting Equipment, Forklifts, and Unloaders. Experience operating Hydraulic Cranes is an asset. Applicant must also have knowledge in all aspects of excavating and demolition.

LANDSCAPE/LABOURER

Applicants must have a minimum of five (5) years' experience in professional landscaping. Applicants must be experienced in all areas of landscaping, including seeding, fertilizing and planting to complete the landscape tasks according to plan. Must be able to identify different grasses, plants and shrubs, in addition to performing tasks in order to assist the completion of the landscape construction projects. Ability to operate a variety of tools and equipment used in the trade to carry out specified tasks.

Applicants for the above positions must be reliable and punctual.

Must be willing to work weekends and public holidays if necessary.

Island Construction Services Ltd. has a strict drug and alcohol policy and all applicants must be willing to submit to a pre-employment drug test.
