

All Insurance Management Limited
An AmTrust Financial Company

ASSISTANT FINANCIAL CONTROLLER

All Insurance Management Limited and its affiliates, including AmTrust International Insurance, Ltd., a Class 3B insurer, subsidiaries of AmTrust Financial Services, Inc. ("AmTrust"), seek an Assistant Financial Controller. The position will report to the Financial Controller of the Company. The role will require an individual to work on their own initiative, assisting in the supervision of a finance team and ensuring the Company meets its strict reporting deadlines:

Key responsibilities of this role will include but not be limited to:

- Assist in the day-to-day management of the finance team.
- Assist in operations management and maintenance of the general ledger, insurance transactions, investment accounting, period close process, subsidiary accounting and consolidation.
- Prepare monthly and quarterly account reconciliations and ensure accurate and timely reporting of all subsidiaries for internal and external reporting.
- Assist and coordinate the preparation of statutory audits and other regulatory financial documentation for various subsidiaries.
- Liaise with AmTrust's accounting team for quarterly reporting and group consolidation.
- Assist in the preparation of budgets, forecasts, cash flows and capital management.
- Assist, manage and report on compliance with group finance policies and procedures, internal controls and systems, ensuring consistency of application.
- Assist in the management of process improvements and other special ad hoc projects.

Minimum Qualifications, Skills and Experience:

- Candidate should possess a degree in business or finance and a professional accounting qualification (CPA, CA, ACA, ACCA) with a minimum of five years' experience in a senior insurance accounting role.
- Detailed knowledge and experience of US GAAP for insurance accounting.
- Experience of Hyperion Financial Management Consolidation Software, Oracle ERP Cloud accounting software, Clearwater investment management software and Workiva essential.
- Extensive knowledge and experience of BMA financial and prudential regulatory reporting requirements.
- Must possess excellent organizational experience and proven team leadership skills.
- Ability to manage and liaise with US and European finance teams, Parent, Auditors and service providers.
- Strong interpersonal, people development and communications skills required.
- Advanced Microsoft Excel and Word skills, with a proficiency in other Microsoft Office suite applications.

Applicants should respond no later than August 13, 2021 by email with a detailed CV (Must indicate Bermudian, Spouse of Bermudian, PRC holder or Non-Bermudian) to:
