

Join a team who cares about excellence

MEDICAL LABORATORY TECHNICIAN

LABORATORY KING EDWARD MEMORIAL HOSPITAL

BHB ensures the highest in quality health care through service excellence, education and leadership. We seek qualified, highly motivated, and experienced professionals to work in a supportive but demanding environment.

The Medical Laboratory Technician will work as part of the laboratory team to achieve component preparation requirements and to perform laboratory analysis in order to provide accurate laboratory information to the physicians.

Key responsibilities include:

- Producing accurate results for assigned procedures with direct supervision by a medical technologist or section senior
- Preparing specimens and appropriate forms to be sent to reference laboratory; enters appropriate information into the computer.
- Storing units, components, samples and products according to current policy and procedure.
- Performing maintenance and loads samples on the analysers.
- Required to rotate within the accessioning, automated and blood donor centre departments
- Performs any other related duties as required by the Laboratory Management

Qualifications & Registration required:

- Two or more years college science courses
- Associate Degree in Science with one (1) year laboratory experience preferred
- Registration with a professional licensing body i.e. A.S.C.P. or equivalent preferred
- Must have excellent organization, communication and listening skills

Closing date for applications is August 13, 2021. Pre-employment substance abuse screening is mandatory for all successful candidates.

If you want to make a difference, and if your experience and qualifications match the above criteria,
visit www.bermudahospitals.com, and apply through BHB Jobs NOW.
Select "Work at BHB" and follow the steps.
