

## Director – Actuarial GAAP Reporting

Athene, a leading and rapidly growing long-term insurer offering reinsurance on fixed annuity contracts, seeks a dynamic and proactive individual to join their actuarial team focusing on GAAP financial reporting.

### Responsibilities

- Analyze resulting GAAP reserves and provide income variance commentary;
- Assist in developing reserve sensitivities;
- Provide primary actuarial support for annual external GAAP audits;
- Update and analyze GAAP and statutory planning projections and provide comparisons to actual results;
- Implement and maintain Sarbanes Oxley controls to mitigate financial and operational risk for the reserving function;
- Provide support for internal audit control reviews;
- Lead team of Actuarial students giving guidance and coaching;
- Assist in building GAAP reserving models for any new reinsurance portfolios;
- Assist in the integration of actuarial processes throughout the organization;
- Provide ad hoc support to Statutory and Asset Liability Management reporting efforts; and
- Assist in the completion of the quarterly statutory reporting and capital requirements as needed.

The position will also be exposed to modeling and risk management projects within the actuarial team.

### Credentials, Experience and Other Requirements

- Bachelor's degree in mathematics, actuarial science, or related field;
- Associate of the Society of Actuaries (ASA) or higher, or equivalent qualification of other Actuarial professional organization;
- 7+ years of experience working in life re/insurance industry;
- Experience with fixed rate and indexed annuities strongly preferred;
- Ability to interact with internal senior management and client company management;
- Excellent oral and written English language skills;
- Ability to effectively participate in, and help foster, a team-based work environment; and
- An ability to set and manage priorities in a changing work environment is essential.
