

emergence

Emergence is Bermuda's trusted advisor providing expert consulting services and industry-leading solutions in the areas of Business Intelligence, Performance & Risk Solutions, Finance, HR & Payroll Technology Solutions, Outsource Accounting & Payroll Services, Operational & PMO Solutions and Customer Relationship Management.

Emergence is currently recruiting for a **Senior GP Business Consultant** to help drive our Microsoft Dynamics GP practice. To be considered for this position candidates require a minimum of 5 years' experience in the implementation and support of Dynamics GP ERP. Additionally, candidates must have in-depth experience in the following technologies: Business Intelligence Development; Microsoft SQL Server, SSRS, and system integration tools. This is a hands-on technical role and may require evening and weekend work. A university degree or equivalent as well as Microsoft Dynamics GP Certifications is preferred.

Emergence is recruiting for a **Senior Human Capital Management Consultant**. To be considered for this position candidates require a minimum of 5 years' experience in the implementation and support of Dynamics GP HR & Payroll solutions. Knowledge and experience in Payroll processing and implementing HRP systems is essential. Additionally, candidates must have in-depth product knowledge, and proficiency at software troubleshooting. The candidate should possess a university degree or equivalent as well as Microsoft Dynamics GP Certifications. A finance and IT background along with the above HCM requirements above would be a definite advantage.

Interested candidates should submit a resume and cover letter demonstrating their technical experience to careers@emergencecorp.com

Closing Date: **August 20, 2021**
