

Hannover Re, with gross premium of more than EUR 24 billion is the third largest reinsurer in the world. Through its 170 locations worldwide, it transacts all lines of property & casualty ("P&C") and life & health ("L&H") reinsurance. In Bermuda, its core subsidiary Hannover Re Bermuda Ltd (the "Company") is a BMA regulated dual license reinsurer.

We are currently seeking applicants who can fill a two year contract as a Technical Financial Accountant. The successful candidate will be responsible for carrying out various aspects of the accounting function such as IFRS reporting and financial management.

TECHNICAL FINANCIAL ACCOUNTANT: 2 YEAR CONTRACT

Main Responsibilities:

- Calculate and initiate settlements to ensure compliance with various reinsurance agreements, post all related technical bookings accurately in accordance with IFRS and Bermuda statutory requirements.
- Prepare all phases of reinsurance accounting and reporting which includes setting up treaties and completing the year-end final technical result recording.
- Analyse, prepare and post journal entries relating to non-technical accounting.
- Monitor and clear cash and receivable control accounts and report any accounting discrepancies or unresolved items.
- Follow the internal control framework, including documentation requirements and suggest changes to achieve efficiencies where appropriate.
- Play a role in filing returns, claims submissions and reporting as well as reserve analysis.
- Assist in intercompany reconciliation and reporting as well as the quarterly closing process.
- Participate in ad-hoc reporting and project work on behalf of the Company as required.

Requirements:

- Bachelor's degree in Business, Economics, Finance or Accounting.
- Professional accounting designation such as CA, CPA or equivalent.
- A minimum of 3 years of experience with accounting and reporting in an international (re) insurance environment.
- Ability to demonstrate knowledge of working with different treaties and applying the relevant accounting standard accurately.
- Experience of developing and maintaining successful client relationships.
- Strong computer knowledge including financial based accounting packages such as SAP.
- Excellent communication skills, both verbal and written.
- Strong analytic skills and great attention to detail.
- Highest level of integrity and commitment to achieving goals.
- Ability to work in a fast-paced environment.
