

**Butterfield & Vallis is looking to hire a**

**Beverage Technician**

This is an exciting new job opportunity. The Beverage Technician is responsible for the installation, maintenance, and repair of all beverage related equipment. The successful incumbent will ensure the highest level of consistent operation and hygiene of beverage dispensers and fountains through routine maintenance checks and cleanings.

The Beverage Technician works independently on the road, visiting customers. Thus, must maintain a valid heavy vehicle license and be good self-manager of both self-initiative and possess good time management. The post holder needs to be computer literate in order to use mobile devices to log maintenance checks and sales, and to communicate with others while in the field. Tasks associated with the job require the Beverage Technician to be in good physical condition for lifting and working in various positions including bending, kneeling, and squatting.

In addition to good technical skills (electrical, plumbing and refrigeration), the Beverage Technician must also possess good interpersonal and communication skills, with a strong customer focus.

Due to the nature of the work, the Beverage Technician must rotate 24-hour on-call duty with the other equipment technicians; therefore, must learn the basic maintenance service for Ecolab, Hobart and other equipment.

**Interested applicants must possess the following:**

- At least two years' experience providing customer service related repair and maintenance of equipment with good skills in electrical circuitry, refrigeration and plumbing. Experience maintaining beverage dispensers and fountains is preferred.
- HACCP trained or have a strong understanding of foodservice hygiene requirements for beverages.
- Strong hands-on technical skills and efficient troubleshooting skills.
- Must possess a valid heavy truck license.
- Basic computer skills, knowledge in Microsoft Office Suite is preferred.

Butterfield & Vallis has a drug free workplace policy and is an equal opportunity employer.

Applicants will be dealt with in strict confidence and interested candidates can apply in writing or via email to:
