

Actuarial Director

Our client, Towers Watson (Bermuda) Ltd. (known in the market as Willis Towers Watson), is a leading global advisory, broking and solutions company that helps clients around the world turn risk into a path for growth. They design and deliver solutions that manage risk, optimize benefits, cultivate talent, and expand the power of capital to protect and strengthen institutions and individuals. The Insurance Consulting and Technology (ICT) business of Willis Towers Watson has been Bermuda's premier actuarial consultancy company for over 40 years and has played a crucial role in the development of Bermuda's insurance industry.

The Company invites applications for the position of Actuarial Director within the Property / Casualty practice of ICT.

Duties and responsibilities:

- Directly contribute to client projects through applying technical actuarial expertise
- Develop a trusted advisor relationship with client contacts through effective communication and efficient, quality execution of projects
- Deliver superior, consistent project management for assigned clients
- Draft statements of work, project plans and budgets involving multiple workflow streams and client teams
- Serve as the day-to-day project lead, ensuring the progress of the team against established objectives, budget, timeline, deliverables and quality standards
- Perform technical and peer reviews of work products
- Contribute to the development of new tools and approaches
- Lead and support the generation of new business as part of the broader team
- Serve as mentor to junior project team associates

Required skills and qualifications:

- Undergraduate degree
- Fellow of Institute and Faculty of Actuaries, Casualty Actuarial Society, or equivalent professional qualification required
- 15 years or more of actuarial experience, including experience in actuarial consulting
- Knowledge and experience with insurance and reinsurance including loss reserving, pricing and risk management
- Proven experience leading teams, managing multiple projects and producing quality deliverables on time and within budget
- Demonstrated success or strong evidence to support new business generation
- Technically proficient in MS Excel, reserving and financial modelling software (preferably ResQ and Igloo) and working knowledge of MS PowerPoint and MS Word
- Hardworking, willing to put in extra hours to meet deadlines and availability to travel on an as needed basis

Qualified candidates should submit a covering letter and resume to tiffany.tavares@careyolsen.com or to the attention of Tiffany Tavares, Rosebank Centre, 5th Floor, 11 Bermudiana Road, Pembroke HM08. Tel 542 4503. All enquiries will be treated confidentially.

Closing Date: 15 October 2021
