PLANNER, DEVELOPMENT MANAGEMENT

Planning

Salary: PS33 \$106,699.17

Job Number: DHR02372 (320007)

The Planner works under the direction of the Senior Planning Officer (Development Management) and is accountable for evaluating a wide range of planning applications that have an impact on Bermuda's built and natural environment. The post-holder conducts site visits and negotiates with applicants to ensure compliance with all relevant planning policies and legislation and makes recommendations to the Development Applications Board, or decisions on behalf of the Director of Planning, based on a professional assessment of projects. The post-holder provides technical and professional support services and advice to the public, agents, and other government departments on planning matters. As the need arises, the post-holder is also accountable for assisting in the development and formulation plans and policies affecting the physical and environmental development of Bermuda including conducting research, consulting with the public and resolving objections to draft plans, including presenting resolutions to the Tribunal.

Applicants must possess a Bachelor's degree in Planning, Urban Design, Geography, Environmental Studies or a related discipline and must also hold membership in a professional planning institute such as the Royal Town Planning Institute, the Canadian Institute of Planners, the American Institute of Certified Planners or equivalent. The post requires a minimum of three years of relevant post-professional planning institute membership experience.

Closing date: 20th October 2021

ESTATES SURVEYOR

Department of Public, Lands and Buildings

Salary: PS32 \$103,555

Job Number: DHR02361 (811610/811641)

The Estates Surveyor reports to the Senior Estates Surveyor and is responsible for managing a multi-million dollar portfolio of Government real estate and providing specialist property advice and recommendations to the Senior Estates Surveyor, Chief Surveyor, Permanent Secretary and Minister of Public Works. In addition, the post is accountable for ensuring that the Departments and Ministries assigned to it, are provided with professional estate management services to ensure that their real estate needs are met in order for them to provide services to the public.

Applicants must possess a Bachelor's Degree in Estates Management or equivalent, and be a Member of the Royal Institution of Chartered Surveyors (Valuation or Commercial Property Faculty) and be qualified for registration as a Professional Surveyor in Bermuda. A minimum of three years' post qualification (MRICS) experience in estates management and valuation is required. Computer literacy and familiarity with property orientated IT systems is essential.

Closing date: 27th October, 2021

PROCUREMENT AND INVENTORY MANAGER

Department of Public Transportation

Salary: PS30 \$96,286.66

Job Number: DHR02349 (350228)

The Procurement and Inventory Manager works under the direction of the Departmental Comptroller and is responsible for managing, supervising and coordinating the procurement, inventory and contract management functions for the Department of Public Transportation. This includes ensuring that availability of sufficient inventory, spare parts and fuel to meet the demands of the department. The post holder is also accountable for supply chain management, inventory systems management and adherence to legislation, safety and organizational policies and procedures and will be required to partner and consult with key department stakeholders.

Applicants must have a Bachelors' Degree in Business Administration or Supply Chain Management or the equivalent in a relevant subject matter as well as possess a Certified Purchasing Professional (CPP), Supply Chain Management Professional (SCMP) or equivalent from a recognized institute. A minimum of ten years' of procurement and inventory experience within a computerized inventory management environment along with five years in a management role is also required.

Closing date: 27th October, 2021
