

Aon Insurance Managers (Bermuda) Ltd.

requires a

VICE PRESIDENT – INSURANCE SOLUTIONS

Aon Insurance Managers (AIM) is a leading professional services firm in Bermuda and manages approximately 300 re/insurance entities with a multidisciplinary team of over 55 professionals. AIM has two practices – Captive Management and Underwriting Solutions. Underwriting Solutions includes the management of complex commercial re/insurance (Life and Non-Life) entities, Insurance-Linked Securities (“ILS”) (commercial ILS, Cat Bonds, Mortgage Bonds), and White Rock, a Segregated Accounts Company, offering solutions for fronting, retention cells, warehousing, market access and collateralized reinsurance.

The successful candidate must have a successful track record in the delivery of insurance and risk solutions, possess the ability to confidently discuss risk strategies, technical re/insurance and claims issues and lead specific projects to develop revenue growth and operational efficiencies.

This is an exciting opportunity for a highly motivated and organised individual to have a unique role across the two practice groups.

Key responsibilities:

- Responsibility for the re/insurance/underwriting functions for a portfolio of Captive, ILS and Commercial Reinsurance entities (including the Aon White Rock business).
- Lead, supervise and develop colleagues in order to meet client needs and maintain the necessary expertise.
- Assume Insurance Officer & Relationship Leader responsibility for various client accounts and assume Director positions on clients’ boards as requested.
- Develop risk and insurance programs and structures for client accounts, working directly with and presenting to clients.
- Develop and lead group-wide risk and insurance initiatives at a local and global level to increase the performance of the business.
- Perform a claims operational role including maintaining claims trackers, investigation, negotiation, reporting and settlement, liaising with clients, adjusters and reinsurers on technical claims matters.
- Be responsible for underwriting and claims system development and integration in coordination with global and local project teams.
- Support new client origination activity, particularly as it relates to insurance & potential consulting activities.

Position requirements:

- An internationally recognized insurance or risk designation with a minimum of 10 years post qualified and recent experience.
- Successful track record of developing risk and insurance programs and structures for large national and multinational businesses including Fortune 500 companies and start up entities.
- A comprehensive understanding of the Bermuda regulatory framework and the re/insurance market, including Segregated Accounts Companies.
- Sound technical knowledge of all major commercial classes of insurance and reinsurance including captive facilities.
- Ability to lead, supervise and develop Insurance colleagues.
- Ability to work on own initiative and within a team environment.
- Ability to act as a Relationship Leader for a portfolio of clients including overall responsibility for the profitability of the accounts and leadership of client service teams.
- Excellent written & verbal communication and presentation skills along with the ability to interact with senior executives of Fortune 500 companies.
- Strong organization and interpersonal skills.
- Strong statistical and analytical skills.
- Strong computer skills, specifically in Microsoft Office Software; proficient in Excel, Word and PowerPoint.
- Working knowledge of SICS reinsurance system would be advantageous.
- Accuracy and attention to detail are essential.
- Willingness to be part of a dynamic, forward thinking, growth mindset practice including participation in and representation of the Company at both internal and external functions.

The Company offers an attractive compensation and benefits package commensurate with qualifications and experience.

Applications must include a detailed resume with references, submitted under confidential cover to:
