

On behalf of our client, North End Re Ltd. (NER), we seek applications to fill the role of Vice President - Capital Management. NER is a Class E licensed wholly-owned reinsurance subsidiary of Brookfield Asset Management Reinsurance Partners Ltd (BAM Re). Reporting into and working closely with the Chief Executive Officer, the Vice President - Capital Management will be a key member of the executive team.

Responsibilities:

- Develop and improve internal capital model calibration, reporting and governance frameworks;
- Assist in the evaluation of capital impacts of various strategic business decisions;
- Review pricing and valuation due diligence on potential reinsurance or M&A transactions involving life and annuity business;
- Review actuarial experience and capital impacts of blocks of business underwritten and recommend strategies to refine existing processes and implement efficiencies;
- Make recommendations on key actuarial assumptions and seek ways to advance modelling capabilities;
- Assist in assessing regulatory, GAAP accounting and valuation model considerations for blocks of business;
- Work with the investments and risk teams on Asset-Liability Matching considerations and actions for treaties;

Requirements:

- Bachelor's degree required in Actuarial Science, Mathematics or Finance;
- Qualified Actuary preferred (FSA preferred or FIA) but will consider a candidate near completion;
- Minimum of 8 years of relevant experience, including life and/or annuity product development, reinsurance, insurance M&A, and valuation / financial reporting;
- Familiarity with Bermuda Solvency Regime and/or US STAT or comparable solvency based reserving regime (Solvency II, Cash Flow Testing, CALM, etc.);
- Strong skills / experience in actuarial modeling;
- Strong communication skills with the ability to present clearly and offer practical advice;
- Self-motivated and proactive with the ability to operate independently;
- Team-oriented with a commitment to shared success;
- Excellent judgement and analytical skills combined with attention to detail and thoroughness;
- Ability to reliably process workload and adhere to deadlines; and
- High degree of professional ethics and integrity.

This position would be suitable for those candidates who meet the role qualifications and who thrive in a performance-driven environment that emphasizes employee leadership and accountability for delivering results.

At Brookfield, we care about your privacy and strive to protect Applicant Data throughout the recruitment process. To that end, information that we gather from applicants via job postings, is used solely for the purposes of recruiting and hiring. For more details, we encourage applicants to read Brookfield's Applicant Data Protection and Privacy Notice, found on our website:
